LOCKDOWN LEARNING

Helping Around the House

This list will hopefully give you some inspiration if your child is completing RocketLearn Bingo and needs to tick off "help around the house." As you'll see some of these tasks aren't necessarily that helpful – they are however hopefully tasks that keep your child occupied and do not lead to major incidents in the home!

For more Lockdown Learning tips visit www.rocketlearn.co.uk

- Sweep the floors
- Make everyone at home a drink
- Count the number of vegetables in the fridge and make a list
- Find three recipes you think everyone in the house would enjoy
- Tify your room
- Tidy a drawer in the kitchen
- Clean a pair of shoes
- Empty the dishwasher
- Organise your wardrobe or drawers
- Dust the windowsills
- Count how many windows there are in your house
- Find all the objects in your house that are blue. (How many can you find?!)
- Make everyone in the house a snack (this could be as simple as getting. a biscuit out the cupboard)
- Find one object that begins with each letter of the alphabet and make a list (A for apple, B for bin)
